MEET OUR STAFF!

Hey Ya'll! I'm Aubrey, the LJR of the wonderful Dallas Fort-Worth chapter! Two fun facts about me are that I love all types of animals, though cats are my favorite, and I love the color teal. Outside of CISV, my favorite things to do are dance, read, be outdoors, and arty things like sculpting and photography. I can't wait to see y'all at WRMC, I know it will be amazing!

Hey hey hey!! I'm Chloe, one of the LJR's from the Rocky Mountain Denver chapter! I love the music of ABBA and in my free time I like to sing to my cats! Sometimes I lick peanut butter while rollerblading! CISV forever y'all! Go starbursts!

My name is Eszter and I'm 16 years old. I'm from the ATXSA chapter. I like to bake red velvet cupcakes and sugar cookies! I have a dog named Theo and he likes to sneak in between peoples legs. I love to read sci-fi and and historical fictions because they distract be from reality.

Hello there!!! My name is Jack Garner. I am 17 years old. I am the CO-LJR for the RMD chapter my other partner is Chloe! I have been in CISV for almost 6 years now. I have been to a village in Argentina, step up to Italy, and youth meeting in Turkey. I can't wait to see you all here in Colorado for WRMC!!!

Hey West! My name is Aidan and I'm the LJR (Local Junior Representative) from the San Francisco/Bay Area Chapter. I've been in love with CISV since I was 11, on my way to village in Sao Paulo, Brazil. I also love to adventure in the great outdoors, travel anywhere and everywhere I can and cook some delicious food. I'm stoked to meet everyone at WRMC this September!!
